Section #2 Course Transferability

Concern over students taking many courses that do not have a high transfer value has led to increasing attention to the transferability of LDC courses. The state currently requires us to certify that at least one OUS school will accept a new LDC course in transfer. Faculty should communicate with colleagues at one or more OUS schools to ascertain how the course will transfer by answering these questions.

1. Is there an equivalent lower division course at the University?
2. Will a department accept the course for its major or minor requirements?
3. Will the course be accepted as part of the University's distribution requirements?

If a course transfers as an elective only, it may still be accepted or approved as an LDC course, depending on the nature of the course, though it will likely not be eligible for Gen Ed status.

Which OUS schools will the course transfer to? (Check all that apply)

- OSU (Oregon State University)
- OSU-Cascade
- PSU (Portland State University)
- SOU (Southern Oregon University)
- UO (University of Oregon)
- WOU (Western Oregon University)

Identify comparable course(s) at OUS school(s)

CJA 231, Intro to Criminology at SOU (already transfers as a Social Science)
CJ 213D, Intro to Criminal Justice at WOU,
Lower Division Transfer at OSU, UO, and PSU

How does it transfer? (Check all that apply)

- required or support for major
- general education or distribution requirement
- general elective
- :

Provide evidence of transferability: (minimum one, more preferred)

- Correspondence with receiving institution (mail, fax, email, etc.)
