

Dev Ed WR & RD redesign concept as of 2/19/15. The big boxes are new classes. The smaller ones are existing classes.

ABS Learning Standards for Reading & Writing will be used to calibrate levels and outcomes of new classes.

Student support services, especially the Learning Center. LC support would include a **new 1-cr class, P/ NP, for Writing Center attendance**. Would be strongly recommended for students who get “bumped up” in the placement process, at any level.
