Yes

Have you talked with a librarian regarding that impact?

No

Is there any other potential impact on another department?

No

Does this course belong on the Related Instruction list?

No

GRADING METHOD:

Pass/No Pass Only

Audit: Yes

When do you plan to offer this course?

✓ Not every term

Is this course equivalent to another?

If yes, they must have the same description and outcomes.

No

Will this course appear in the college catalog?

No

Will this course appear in the schedule?

No

Student Learning Outcomes:

Upon successful completion of this course, students should be able to:

1. demonstrate knowledge and understanding of emergency management practices and principles acquired from the emergency management core degree requirements,
2. complete an emergency services related project which benefits the students, agency, or other emergency services provider;
3. utilize the knowledge, skills and abilities to conduct research; identify a potential problem; develop potential solutions and prepare a written report on the topic.

This course does not include assessable General Education outcomes.

Major Topic Outline:

1. Project proposal paper to be developed by student and presented to Emergency Management advisor for review and approval according to predetermined timelines. Final project must have a letter submitted from someone of rank/supervision confirming the time commitment and an explanation of the project and how it has enhanced or improved the emergency management operation directly to the Clackamas Community College Emergency Management Chair/advisor.
