Lab (# of hours):

Total course hours: 432

For each credit, the student will be expected to spend, on average, 3 hours per week in combination of in-class and out-of-class activity.

Course Title: Employment Skills Internship

Course Description:

The internship is an opportunity to develop entry level skills in a specific occupational area and to practice the career management skills necessary to obtain, sustain, and advance employment. A Training and Evaluation Plan is developed and managed in consultation with the student, internship supervisor, and faculty. Coursework will focus on marketable skills through job site training tailored to particular student needs.

Type of Course: Career Technical Preparatory
