Human Services Generalist

Certificate

Associate of Applied Science Degree

PROGRAM CODES: AAS.HUMANSERVEN, CC.HUMANSERVEN

Both the one-year certificate and the two-year AAS in Human Services Generalist degree offer training for entry-level positions in diverse social services agencies. The degree combines academic course work with 12 credits of supervised field experience. In addition to general course work in human services, students may select a variety of approved elective certificates/courses to focus on different concentration areas.

PROGRAM OUTCOMES

Human Services Generalist AAS Degree

Upon successful completion of this program, students should be able to:

- demonstrate appropriate interviewing skills when working with human service clients,
- complete human service assessments that include client strengths and challenges,
- outline key resources in the community and the network of service delivery,
- apply knowledge about the development and function of individuals and families in a practice setting,
- practice professional communication skills both verbally and in writing in a human services setting,
- adhere to the professional ethics, attitudes and values necessary for effective human service work.
- recognize the role of the human services professional as a change agent.
- analyze the context and the role of diversity in determining and meeting people's needs.

PROGRAM OUTCOMES

Human Services Generalist Certificate Degree

Upon successful completion of this program, students should be able to:

- outline key resources in the community and the network of service delivery,
- apply knowledge about the development and function of individuals and families in a practice setting,
- practice beginning-level professional communication skills both verbally and in writing in a human services setting,
- adhere to the professional ethics, attitudes and values necessary for effective human service work.

CAREERS

Opportunities for employment include positions such as case managers and assistants, resource specialists, family advocates, client advocates, intake workers, family assistance workers and volunteer coordinators.

For information contact Yvonne Smith, 503-594-3207 or yvonne@clackamas.edu

Alcohol & Drug Counselor

Career Pathway Certificate

PROGRAM CODE: CC.ALDRUGCOUNSLR

The Alcohol & Drug Counselor Pathway Certificate prepares students to sit for the certification examination offered by the Addiction Counselor Certification Board. The coursework is appropriate both for new students to the field, and those wishing to update their skills or seek additional certification. The certificate provides the 150 educational hours required by the certification board. Students can also opt to add a CWE component that will partially fulfill the 1000 required practicum hours. Qualifying for the CADC I certificate is a stepping stone for students who want to work now, but may also be thinking of pursuing further education in the future.

More information about certification can be found at

www.accho.com

PROGRAM OUTCOMES

Upon successful completion of this program, students should be able to:

- demonstrate appropriate interviewing skills in an assessment or treatment setting,
- articulate the ethics required for effective work in the substance abuse field,
- recognize the signs of common substance abuse disorders,
- discuss the impact of drug use and abuse on society and the public health.
