Section #1 General Course Information

Department: WAFE

Submitter

First Name: Shelly

Last Name: Tracy

Phone: 0945

Email: shellyt

Course Prefix and Number: EM - 113

Credits: 1

Contact hours

Lecture (# of hours): 10

Lec/lab (# of hours):

Lab (# of hours):

Total course hours: 10

For each credit, the student will be expected to spend, on average, 3 hours per week in combination of in-class and out-of-class activity.

Course Title: Introduction to National Incident Management System (NIMS) & Federal Disaster Work

Course Description:

Provides an overview of the National Incident Management System (NIMS). NIMS provides a consistent nationwide template to enable all government, private-sector, and nongovernmental agencies to work together during domestic incidents. Course meets the new NIMS requirements developed by the Emergency Management Institute.

Type of Course: Career Technical Preparatory

Is this class challengeable?

Yes

Can this course be repeated for credit in a degree?

No

Is general education certification being sought at this time?

No

Does this course map to any general education outcome(s)?

No

Is this course part of an AAS or related certificate of completion?

Yes

Name of degree(s) and/or certificate(s): Emergency Management AAS

Are there prerequisites to this course?

No

Are there corequisites to this course?

No

Are there any requirements or recommendations for students taken this course?

No

Are there similar courses existing in other programs or disciplines at CCC?

No

Will this class use library resources?

No

Is there any other potential impact on another department?

No

Does this course belong on the Related Instruction list?

No

GRADING METHOD:

Pass/No Pass Only

Audit: Yes

When do you plan to offer this course?

Summer

Fall

✓ **Winter**

✓ **Spring**

Is this course equivalent to another?

If yes, they must have the same description and outcomes.

No

Will this course appear in the college catalog?

No

Will this course appear in the schedule?

No

Student Learning Outcomes:

Upon successful completion of this course, students should be able to:

1. describe how the National Incident Management System NIIMS organizes and integrates the responses required in domestic incidents,
2. describe NIMS concepts, principles, common terminology when responding to an event using the Incident Command System (ICS),
3. differentiate between the major ICS functions and associated responsibilities, ICS organizational units, span of control, major incident facilities and the functions of each;
4. outline an Incident Action Plan, delineating its uses and common responsibilities associated with incident assignments from the Federal disaster response workforce perspective.

This course does not include assessable General Education outcomes.

Major Topic Outline:

1. What is NIMS.
2. Command and Management Under NIMS – Part 1.
3. Command and Management Under NIMS – Part 2.
4. Public Information.
5. Preparedness.
