Course Title: Digital Multimedia Communications Portfolio Project I

Course Description:

This course is an individual portfolio project class for Digital Media Communication (DMC) students. Students create an original finished work representative of one of the focus areas included in the DMC program. Students will develop a professional online portfolio (website) that represents their skills in their chosen DMC focus area in preparation for internships and employment. The process of portfolio production at this level includes planning for, refining and completing a project, presentation of the completed work, and project assessment.
