Catalog description of new program

Must match description from CCWD CTE Program of Study Application

This certificate provides individuals with educational foundations in classroom management, diverse students, and developmentally appropriate teaching techniques. This program is designed for CTE teachers seeking an initial license or other faculty who want to learn foundations of teaching and learning.

Similar to an existing program?

No.

Program-Level Student Learning Outcomes

Upon successful completion of this program, students should be able to:

1. operate according to the legal rights and responsibilities of teachers and students;
2. adapt instruction to meet the needs of diverse learners;
3. effectively manage a classroom;
4. compare, contrast, and apply instructional strategies;
5. apply learning theory to teach in developmentally appropriate ways.

Program-Level Assessment Plan

All learning outcomes will be assessed in the ED280 course and through Oregon civil rights exam required by the state.

- operate according to the legal rights and responsibilities of teachers and students;
- adapt instruction to meet the needs of diverse learners;
- effectively manage a classroom;
- compare, contrast, and apply Instructional strategies;
 - Apply learning theory to teach in developmentally appropriate ways.

CAREERS

This program is designed to provide existing and prospective CTE teachers with foundational skills to be successful in the classroom. In 2017, the Oregon Teacher Standards and Practice Council (TSPC) revised its requirements for individuals coming from industry to teach CTE classes. The new requirements now include foundational education skills such as classroom management and adapting Instruction to meet the needs of diverse learners. This certificate meets the TSPC requirements.
