Any ASL, CJA, FR, GER, HS, PHL, PS, PSY, SOC, or SPN course not already included in the Corrections AAS program.

Dental Assistant

Certificate

PROGRAM CODE: CC.DENTALASST

The Dental Assistant (DA) program is designed to prepare students for entry level positions in the dental care setting. The goal of the program is to graduate students that have demonstrated competencies in clinical and administrative practices as well as demonstrated work ethics and professional values consistent with that of the American Dental Association (ADA).

PROGRAM REQUIREMENTS AND PREREQUISITES

This limited entry program requires the applicant to meet the program requirements prior to being formally admitted into the program. The requirements are to be completed in a four-phase process, with specific timelines for each phase. Information regarding specific requirements and timelines are located at www.clackamas.edu/healthSciences/

The applicant must follow and complete all steps to be invited to continue through each phase of the admission process, with the final phase resulting in the opportunity to be invited for admission.

DA students will participate in unpaid, supervised externships in the dental care setting.

Disclaimer: Clinical training is required in order to complete certain Health Sciences programs offered by Clackamas Community College (CCC). Although CCC does not restrict program entry based on age, some college partners, such as healthcare agencies, organizations and clinics, require students to be at least 18 years of age before they can participate in clinical training. Students who intend to enroll prior to reaching 18 years of age should consult with the appropriate Health Sciences program director or administrator to determine when clinical training begins for their program and to understand any limitations.

RELATED INSTRUCTION OUTCOMES

Computation (1 course- MTH-50 Technical Math I or MTH-65 Algebra II)

- Use appropriate mathematics to solve problems

Communication (1 course- WR-121 English Composition)

- Read actively, think critically, and write purposefully and capably for professional audiences

Human Relations (1 course- PSY-101 Human Relations)

- Engage in ethical communication processes that accomplish goals

PROGRAM OUTCOMES

Upon successful completion of this program, students should be able to:

- demonstrate proficiency in exposing, processing, and mounting dental radiographs;
- apply current concepts of occupational safety hazards, infection control and aseptic procedures to promote a safe work environment and prevent disease transmission;
- perform entry-level chairside dental assisting skills;
- demonstrate basic competencies in dental administrative practices;
- utilize dental material for specific dental procedures;
- assist with medical emergencies in the dental office;
- demonstrate Expanded Functions Dental Assistant (EFDA) skills necessary to obtain EFDA certification.

CAREERS

Career opportunities may include but are not limited to managed care facilities, private dental practices, state and county clinics, dental schools and the insurance industry.

Application packets with admission procedures and requirements are available online at www.clackamas.edu/HealthSciences/DentalAssistant/

For continuing education opportunities for healthcare providers see Healthcare Professional Development (HPD) in the course description section on page 217.

For more information, contact health-sciences-questions@clackamas.edu

DENTAL ASSISTANT CERTIFICATE

FIRST TERM		CREDITS
