

## Foundational Curricula

*Note: This is a DRAFT document – Do not use for advising or curricular planning*

The following foundational curricula is a broad description of course requirements for students at any Oregon community college or public university. Students who have not yet declared a major and plan to transfer can take classes that fit these categories at any Oregon community college and expect all classes to transfer to meet at least 30 credits of general education requirements for a bachelor's degree at any Oregon public university.

Note that specific majors may also have specific requirements for foundational courses that overlap with these categories. Students interested in a certain discipline should follow an existing specific articulation agreement, a Unified Statewide Transfer Agreement (USTA), or a degree map when picking the classes that you need. This guide notes several areas where particular consideration is recommended. This will help keep you on track for credits towards your 4 year degree completion.

The Foundational Curriculum is intended as a starting point for students who plan to transfer to a university, but are unsure as to their intended major or transfer destination. Students who are certain of their major, but not their transfer destination, should determine if there is a developed USTA for that major, and follow that as a guide. Students who are certain of both their major and their intended transfer destination should consult an advisor for information on an existing specific articulation agreement, USTA, or degree map that will prescribe their course requirements.

## REQUIRED COURSES

Subject	Foundational Courses For General Pathway	Foundational Courses for STEM Pathway
<b>Writing</b>	1 course (3-4 credits) WR121	1 course (3-4 credits) WR121
<b>Arts &amp; Letters</b>	2 courses (6-8 credits) See list of AA/OT outcome courses.	2 courses (6-8 credits) See list of AA/OT outcome courses.
<b>Social Sciences</b>	2 courses (6-8 credits) See list of AA/OT outcome courses.  See your advisor for recommended courses.	2 courses (6-8 credits) See list of AA/OT outcome courses.
<b>Natural Sciences</b>	2 courses with labs (8-10 credits) See list of AA/OT outcome courses.  Non-majors level recommended.	2 courses with labs (8-10 credits) See list of AA/OT outcome courses.  See your advisor for recommended courses.

<b>Math</b>	1 course (4-5 credits) See list of AA/OT outcome courses.  See your advisor for recommended courses.	1 course (4-5 credits) See list of AA/OT outcome courses  See your advisor for recommended courses.
