Grounds Update	Tom/ Aaron	<ul style="list-style-type: none"> • Turning on irrigation early this year. • Weed control • Bark in Wilsonville • Working with corrections crew on South side of DeJardin. Have a contract with corrections of \$400 for a day, 4 times per year. • XC trail: Keoni will do walk through after track season is over. The trail is not on a mowing schedule. • Campus safety shared that the <i>Euphorbia</i> is too tall in the Clairmont sculpture planting bed. Safety issue. • Pauling woods trees – lift up? Shop kids hang out under the tree, and leave a mess. It is on the list for Grounds to do.
Chuck Clemans Sculpture Garden update	Nora	<ul style="list-style-type: none"> • Fund to be created in January for maintenance costs. Ivy control/removal will be a big part of the maintenance needed. • ASG will be doing an Ivy pull. • Clemans Sculpture Garden Party (Phase 1 Celebration) will be on Thursday June 27th from 5:30-7:00 pm. • Site has permanent irrigation. • The ‘ash tray’ has been planted. This is the previously pea gravel bed just outside Art Center building. • Horticulture department donation Rhododendrons still available (and in the ground) on North/East corner of Clairmont. Nora will follow up.

Spring Term meeting dates	All	Tuesday May 28 th 2:00-3:00 pm. C 126
Tree planting at CLT site	Bruce	<ul style="list-style-type: none"> • Tree donation from Friends of Trees. Three different varieties of oak. <i>Quercus lobata</i>, <i>Quercus arifolia</i>, and <i>Quercus robur x alba</i>. • Trees would be utilized in our Plant Identification classes. • Location desired for planting is the west border of CLT site, near ELC and along jogging trail. • Locate will be done. • Site has no overhead wires. • Will move the tree planting location towards CLT to minimize leaves on jogging trail. • Horticulture department will do the planting. • Approved by committee for planting.
Deer fence update		<ul style="list-style-type: none"> • Installation around Urban Ag Farm site. • Install planed for after the plant sale, targeting end of May. TJ, with class help, will install. • Bruce will bring design and supply list to next meeting. • ? Fence to the ground? • Need to have minimum of 5-6 feet between fence and XC trail. Space for spectators.
