Peace Pole	Tim Cook and Leah Sundquist of Oregon City Rotary		<p>Leah explained that the rotary is looking for locations to place peace poles in and throughout Clackamas County and expressed the desire to placing a peace pole at the college to represent the message of world peace.</p> <p>“The Peace Pole Project symbolizes the oneness of humanity and our common wish for a world at peace”. These poles are an internationally recognized and bears the message “may peace prevail on earth” in different languages. The poles are either 4 sided or 6 sided and provides room for multiple languages to be present on the pole.</p> <p>https://www.worldpeace.org/peacepoleproject/</p> <p><u>Questions:</u> Q: What materials are the peace poles made of and which would best suit the campus? A: The Peace poles are made of various materials ranging from stone, wood, or white vinyl PVC. Q: What would the expense be for the college? A: At this time the Rotary would bear the expense of obtaining and placing the pole. Long term maintenance would be up to the college.</p> <p><u>Feedback:</u></p> <ul style="list-style-type: none"> • CUDC is interested in having a peace pole on the Oregon City campus • Concerns for materiality and longevity of the pole. Are there other materials that could be used i.e. metal/concrete? • CUDC would like to look at various locations on the campus for placement to ensure visibility and safety of the pole • CUDC will walk the campus and find potential locations to share with the Rotary. 	<p><u>Discussion</u> Decision Advocacy <u>Information</u> Document</p>

Adjacency 2.0	Bob Cochran Jason Kovac		Bob provided a review of Adjacency 1.0 and the new adjacency 2.0 plans. Presentation slides are with the supporting documentation.	Discussion Decision Advocacy Information Document
Around the Room			<p>Concept Master Plan – CCC is working on a new Master Plan. This plan will support the potential 2024 bond campaign. At this time CCC is in the consultant selection process and the team is working on vision/goals.</p> <p>Horticulture Department is working with Mayer Reed to develop a concept plan to study and improve and define the spaces for the horticulture land labs, that includes the areas behind Clairmont, the Arboretum, and the CLT area. This would include updated signage for the Arboretum in this plan.</p>	Discussion Decision Advocacy Information Document
