Sustainability &  
Stewardship

What are our mission  
level indicators?

Let's go  
Seattle

Where do  
we get the  
data?

Gleaning from those who have gone before:

- Zero in on the core themes that define the mission
- What we do* (core themes) vs. *who we are* (values)
- Differentiate between *drivers & results*
- Expand our definition of assessment
- Live “continuous improvement”
- Keep it simple: focus your outcomes

# The Ah-Ha Moment

Some of our original themes are actually our *values*.

For example, Sustainability & Stewardship...
