Career and Technical Education

Career and technical education programs provide the student with the knowledge and skills necessary to prepare for employment in business and industry. This is accomplished through a combination of relevant technical and academic coursework. Some courses and programs provide incumbent employees with the skills upgrade necessary for certification and job advancement. Many programs may also lead to continued education at a four-year Oregon public universities and other baccalaureate institutions. Advisory committees help college departments plan programs and curriculum, ensuring currency and alignment with business and industry needs. College staff design career and technical programs with career opportunities in mind.

The creation of new programs or the suspension and/or elimination of existing programs will be approved by the Board of Education in accordance with State Board of Education requirements. The College president and the vice president of instruction are delegated authority to sign program approval documents on behalf of the Board.
