Career and Technical Education

Career and technical education programs provide the student with the knowledge and skills necessary to prepare for employment in business and industry. This is accomplished through a combination of relevant technical and academic coursework. Some courses and programs provide incumbent employees with the skills upgrade necessary for certification and job advancement. Many programs lead to continued education at a four-year institution. Advisory committees help college departments plan programs and curriculum, ensuring currency and alignment with business and industry needs. College staff design career and technical programs with career opportunities in mind.

New programs will be approved in accordance with State Board of Education requirements. The College president and the vice president of instruction are delegated authority to sign program approval documents on behalf of the Board.

Animals in College Facilities or on Campuses

Inside of Buildings

In the College's effort to maintain a safe and healthy environment for all building occupants, animals may not enter College facilities. Animals utilized for classroom instruction may be brought into classrooms or buildings as part of standard college classroom instructional functions except for the following areas: Community Center cafeteria, the Bookstore and all of Randall Hall.

Service animals brought into the buildings for the purpose of training by trainers that do not require the services of the animal, or training that is not a part of college instructional function must receive permission from the facility reservations department at the time the activity is scheduled. This includes search and rescue, and personal safety training.

Service animals serving persons with a disability would be an exception to this policy.

Outside of Buildings

Animals are required to be kept on a leash while on campus and under direct physical control of the owner. The College reserves the right to call Clackamas County Animal Control to remove animals not kept on a leash or those that pose a safety or health risk. Persons bringing animals on campus are responsible for the removal of all animal waste.

Events and activities that include animal participation must occur out-of-doors, and require prior approval from the facility reservations department. Activities open to the public that include animal participation may require the presence of hand-washing stations.
