## Community Use of College Facilities

Off-campus groups or organizations (profit or non-profit) may sponsor programs using eCollege facilities by following established Facilities Use gGuidelines.

Students/staff and community members are encouraged to use facilities for a wide variety of purposes including but not limited to instruction, special events and programs, community recreation and meetings. When it is necessary to assess fees for facility use, the fees will include the costs directly associated with the event (set up, take down, increased security, cleaning; and special equipment) as well as the indirect costs incurred by the eCollege (utilities, scheduling costs, equipment, facility maintenance and repair).

Since the institution is supported by taxpayer dollars, college events and non-profit group events will be assessed fees that are lower than the fees charged to profit organizations and events. Contact Facility Reservations for information regarding the fee schedule. The eCollege reserves the right to deny facility use for events that conflict or compete with the eCollege mission or programs and events that are deemed to be a legal liability.
