

ISP 460

Underage Enrollment: Students Under 18

PURPOSE

Specifies conditions for students under 18 to enroll in CCC courses.

SUMMARY

Students who are under 18 years that have not yet graduated from high school or received a GED are eligible for enrollment under ORS 339.030 (excused from compulsory attendance or on referral.)

STANDARD

1. Students under 18 who are on referral from their home high school and participating in an early college program will be required to complete additional intake processes depending on the designated program.
2. Students under 18 who are not on referral from a high school and meet the other requirements of this standard may also enroll.
3. Participation of students under 18 in athletic activities will be subject to NWAC/NJCAA rules and regulations.
4. Participation in college sponsored clubs by students under 18 is subject to approval by the Director of Student Leadership and Engagement or Dean of Academic Foundations and Connections.
5. Students under 18 who have not yet obtained a GED or high school diploma are most likely ineligible for federal financial aid.
6. Course content will not be modified to accommodate underage students.
7. Underage students enrolled in courses will be treated equally as college students. CCC draws students from a range of backgrounds and experiences including individuals with criminal records. Underage students and their parents or guardians should be aware of this fact.
8. In some events (clinicals), students under 18 may not be able to participate due to external requirements.
9. Students under 16 will be required to meet additional enrollment conditions as specified in ISP 460P.
10. **In some cases, clinicals, won't allow students under 18 to participate.**
