# Recommendation Two:

## Related Instruction

- **Related Instruction Outcomes for CTE:** “The evaluation committee recommends that the institution develop identifiable and assessable learning outcomes for the general education/related instruction components of applied degree and certificate programs. (*Eligibility Requirement 12*; Standards 2.C.9, 2.C.11)”
- Addendum to Spring 2017 Year One Report: March 1, 2017

# Related Instruction: Recommendation Two

- Related instruction:
  - Computation
  - Communication
  - Human Relations
  - Health & Physical Education
- Based on AAOT statewide Gen-Ed outcomes
- CTE faculty provided input via survey
- Approved by Curriculum Committee
- Program teams will assess at least one CTE and one Gen-Ed outcome each year

# Related Instruction: The PLOs

- **Computation:** Use appropriate mathematics to solve problems
- **Communication:** Read actively, think critically, and write purposefully and capably for professional audiences
- **Human Relations:** Engage in ethical human interactions that accomplish goals
- **Physical education:** Use effective life skills to improve and maintain mental and physical wellbeing

# Related Instruction: What Comes Next

- Catalog changes for 2017/18
- Program teams will now need to plan for assessment of one Related Instruction in next cycle
- Addendum to Spring 2017 Year One Report: March 1, 2017
