

OR HB 2781: Low Cost

Section 4: Each public university listed in ORS 352.002 and community college **shall prominently designate courses whose course materials exclusively consist of open or free textbooks or other low-cost or no-cost course materials**. The course designation required by this section **must appear in the published course descriptions** that are on the Internet or are otherwise **provided to students at the time of course registration**, including **on the campus bookstore course materials** list that is provided for the course.

CCC Propose: “Low Cost Course” Definition:

Low cost courses have required text costs of \$40 and under.

Included in the cost calculations are: required textbooks and other text-based materials, workbooks, lab manuals, online homework software (e.g. MyMathLab, etc.), and codes or publisher-provided curricular materials for students. Printing costs are not included, unless a printed version is required for the course.

Excluded from the cost calculations are: art supplies, calculators, software, course and student fees or equipment, and optional costs.

Please send feedback, questions, comments to Jil Freeman (jil.freeman@clackamas.edu) or Jane Littlefield (jane.littlefield@clackamas.edu).

Courses that fall into this definition and have book/materials orders submitted on time will be noted with a symbol in the course schedule and materials list.
