

Student Fees

Education That Works

What is Happening?

- A few teams exploring changes to student fees
- Looking for initial concerns or feedback:
 - Late registration fee (\$50)
 - Deferred payment fee (\$30)
 - Exploring changing pay now/later language

Change for 2020-21

- Only one change decided for current year:
 - Census date impact resulted in shifting deferred payment fee (\$30) from week 3 to week 4.

Exploring Changes: 2021-22

- Removal of late registration fee (\$50)
 - Instructor consent now required at start of class.
 - Census date is encouraging students to finalize their schedules much earlier.
 - Still need to gather data and understand full impact.

Exploring Changes: 2021-22

Current language:

- **Pay Now:** Payment is due at the time of registration.
- **Pay Later:** [Deferred Payment Plan](#). Please refer to our [Deferred Payment Plan](#) for more information. (To qualify for this option, you must be at least 18 years of age, have a balance of at least \$100, and cannot have an existing balance from a previous term). The payment plan is subject to the \$30.00 deferred payment fee if it is not paid by the published payment deadline.

Exploring Changes 2021-22

Exploring:

- Pay your account balance by week 6 of the term and no late fees will be charged.
- Still owe a balance after week 6 of the term? You will be charged \$100 and you will be unable to register for the next term.
