

Land Acknowledgment

We acknowledge that the Clackamas Community College campuses reside on the traditional homelands of the Clackamas, Cascades, and Tumwater bands of Chinooks, as well as the Tualatin and Pudding River bands of Kalapuya and the Northern Molalla people. It is important that we acknowledge the ancestors of this place and to recognize that we are here because of the sacrifices they endure. Without them, we would not have access to this gathering and to this dialogue. Please join us in taking this opportunity to thank and honor the original caretakers of this land, their lives, and their descendants still caring for the land today.
