

Hosted Event Approval

Instructions for Application

Please completely read and review the Clackamas Community College [Return to Campus Plan](#). Additionally:

- All programs, departments, events, and student related activities wishing to return to campus, must fill out an application at least 4 weeks prior to the date of intended event.
- All events, must be requested in 25Live AFTER application approval. Events and Conference Services will then alert custodial staff and College Safety of your presence on campus for unlocks and additional cleaning, if necessary. You are responsible for requesting PPE, such as hand sanitizer and masks, from Campus Services via Facility Work Order.
- For small changes in the application such as days or time communicate via email Events and Conference Services.
- Some of the following questions on the return to campus application may not be relevant to your request. You may say N/A or give a different description that you feel is needed and relevant information in processing this application. We are unable to create a one size fits all application but are flexible and consider what information we are able to review.
- Restrictions related to physical distancing or wearing of masks may change based on Clackamas County Health Department recommendations and changes to institutional policies. These changes would not occur once a term has begun. Instructional areas,
- Requests for events or activities to reduce physical distancing from 6 feet to 3 feet, must meet the following criteria:
 - Events or trainings where it is difficult for students to do work in class or meet program outcomes with 6' distancing.
 - Events or trainings that are prohibitively expensive with 6' distancing, e.g. science labs.

For resources related to Teaching and Learning, please refer to the following links:

- Guidance for Policies (<https://www.clackamas.edu/docs/default-source/general-forms-anddocuments/guidance-for-covid-19-policies-non-compliance.docx>)

All location requests are subject to change. Events and Conference Services will notify you of any change. To maintain current distancing requirements, locations will be limited to outdoor areas and indoor areas where safe distancing can take place. Number of participants will be limited depending on space used and limitations may also be adjusted by Events and Conference Services based on the current Oregon Health Authority Sector Risk Level Guidance Chart.

Events and Conference Services reserves the right to cancel any event at any time depending on the current state of the Covid pandemic as determined by current Oregon Health Authority, state and county recommendations.

Application Submittal Process:

Requestor, email your application to your Division Dean and copy Events & Conference Services (Events@clackamas.edu)

Division Dean puts application in Curriculum and Scheduling folder.

Curriculum and Scheduling informs division dean and Events & Conference Services of results of their review.

Division Dean will communicate back to requestor on application status and details.

Requestor contact Executive Assistant to the President with the form, to be put on the agenda for the next Exec Team Meeting for Exec Team approval.

All NON-sectioned events, such as class-related activities must be requested in 25Live AFTER final approval.

Submit a Facility Work Order (click on COVID Supplies) if you need gloves, sanitizer, etc.

*If you did not turn your application into a Division Dean because that was not applicable, your supervisor or a return to campus team member will communicate back to you about your application status and next steps.
